We Will Return~Some Other Day

*Like the warm sea waves, curling and
Rolling on the soft beach shore, we always
Seem to leave behind our most
Precious, beautiful shells-lying on the
moist, wet sand.*

We are friends, giving a little extra to
Make new friends, always wanting to share
Our special gift of friendship to each other.

This treasured friendship will last as long
As the shells on the beach last.

If they wash away, they must always return
For where else is the warm sea wave going
To end its curling roll?

It is time for all of us to look at one another
And bid "Good Luck" and say "Good-Bye",
For we must be swept back into the sea.

Yet, we will return some other time when the
Right curl of a wave picks all of us up
Together and gently places us back on
The moist, wet sand
